

OVER IT? Time to Win!

We are giving away gift cards to Spartanburg Restaurants!

Help Create Spartanburg County's Pandemic Time Capsule

Tell your pandemic story using photos, drawings, physical creations - think Play-Doh, Legos, knitting, etc., creative "fiction" writing or not so creative "non-fiction" writing, video, or audio files.

Down and dirty rules:

Submissions:

Submissions must relate to the coronavirus COVID19 global pandemic. Tell your story. How is the pandemic impacting you, your family, and your community?

Submissions may be representative of life outside of Spartanburg County, but the submitter should be a resident of Spartanburg County. You do not have to have a SCPL Library Card to participate. All submissions go to: scplcovid19@gmail.com. Your submission must include your name, age, and a title of the creation with a very brief explanation if not obvious. Multiple submissions are encouraged.

Three Age Groups: Children 0-12, Teens 13-18, Adults 19+

Ownership:

SCPL has the right to use your creation to tell a story of an incredible time in our collective history. With your submission you are assigning rights to your creation to SCPL for the development of exhibits or collections (electronic or physical). SCPL may post individual or a collection of creations online. SCPL may credit your creation using first and last name or an abbreviation of your name. *SCPL may credit a minor child with first name and age.* If you submit a minor child's (under age 18) creation, then SCPL is assuming that the submitter has the legal authority to submit the creation.

Now, reread that last paragraph. In other words, I don't want you or your great-great-great-granddaughter suing SCPL. This is meant to be interesting, thought provoking, fun, and a gift to the future. Let's try to keep it that way!

Let's Create! - Formats:

Videos: 90 seconds max - files accepted: .mov .mpeg .mp4

Audio: 3 minutes max - files accepted: .mp3 .wav

Text and Images - files accepted: .doc .docx .txt .jpg .jpeg .gif .png

*I am not opening any other file type and I am not chasing you down to convert it.

Prizes:

We are giving away gift cards to Spartanburg eateries. You may not have a choice of the location. Each gift card is valued at either \$25 or \$50. Prizes will be awarded whenever we think of it, but most likely once a week or maybe every three days. Depends. Prizes will be given in each of the three age categories. Prizes may change depending on the number of drawings, the length of the pandemic or this program. Submissions are not "judged", and the winners are randomly selected. If you submit one item or 100 items, your name is entered one time for that given drawing. Multiple entries at one time does not increase your chance of winning. Todd's family can't win.
