

BACK TO SCHOOL SLIDER

As students are heading back to school, the Library wants to offer support by offering resources available to students and parents. The resources listed below are just a few of the resources available to students and parents. Please check out the Learning Tools and Downloadables links on the Library homepage for more information.

The library provides free, open access Wi-Fi at all library locations. To access, connect your mobile device or laptop to the "Library" network when visiting one of the Spartanburg County Public Libraries locations. You can access the network from the parking lots as well.

All Age Resources

[Ask A Librarian](#)

Need help finding materials or information? Chat with a librarian online!
