Words of Wisdom: "Books are the quietest and most constant of friends; they are the most accessible and wisest of counselors, and the most patient of teachers." —Charles William Eliot

The 2017 theme of Teen Tech Week is "Be the Source of Change," encouraging teens to take advantage of all the great digital resources offered through the library while making positive changes in their lives and communities.

To celebrate, each Friday in March we'll highlight a different digital resource available through the library on our Instagram...in binary! Teens are challenged to translate the binary to English and email the answer to teens@infodepot.org. All correct entries will be entered to win a Kindle Fire!

Follow us on [instagram.com/scpteens](https://www.instagram.com/scpteens) for more details!
