## Libraries Closed

All branches of the Spartanburg County Public Libraries will be closed Sunday, April 5, 2026.

National Library Week is April 19-25, but you can celebrate libraries every day! We're here for families, students, creators, learners, and neighbors of all ages to help you connect the dots on your journey.

Here's how you can celebrate:

- Stop in and explore books, collections, and technology.
- Attend special events like author visits, book clubs, crafts, and story times.
- Share your library love online or with friends.
- Say thanks to the librarians who make it all possible.
- Discover something new through digital tools, classes, and online resources.

Whatever draws you in, your library is here for you.
