10am-6pm

**Sat:**  
10am-4pm

**Sun:**  
Closed

## STORYTIME

Storytime  
Thurs • 10:30am

## Libraries Closed

All branches of the Spartanburg County Public Libraries will be closed Sunday, April 5, 2026.

## National Library Week

This year National Library Week takes place April 19 – 25, 2026. Your library system offers everything from books, DVDs and magazines to eBooks, downloadable books and graphic novels. We also offer a wide variety of programs for children, teens, and adults as well as meeting rooms and even homebound and bookmobile services for those that can't make it into a branch library location. We also have many additional resources available on our website. During National Library Week make plans to stop by your local branch library to pick up a free SCPL car magnet to show your support for the libraries. SCPL car magnets will be available while supplies last. Visit our website to learn more about all the Spartanburg County Public Libraries have to offer.

## Kids

Is it magic or is it science? Join the Roper Mountain Science Center on April 14 as they explain to our Homeschool group how science really works! Registration is required for this program.

Mini-Makers are creating sand art necklaces on April 16. Use your favorite colors and carry the beach with you everywhere!

## Teens

Love to read but want a little company? Bring a book or pick one from the library, grab a quiet snack, and get cozy in our Silent Book Club on April 14.

Want to jazz up your home library? We'll be painting wooden bookends on April 28. Put your style on your shelves!

## Adults

You just KNOW you're going to get too many cucumbers in your garden this year, right? Get ahead of your vegetables in our Pickling Workshop on April 7. We'll talk about techniques and do some preparation. Initial supplies, ingredients, and instructions will be provided to the first 15 sign-ups.

So many components of our biosphere are at risk, but what can we do about it? Join Conserving Carolina and Furman professor Wade Worthen on April 21 as we discuss the causes and potential solutions to our environmental crisis.

# April 2026

## Events at Landrum Library

### Adults

Mondays, in April  
6pm  
Yoga @ Your Library

An all skills yoga class is offered every Monday at the Landrum Library. Bring your own mat or blanket to bring the start of your week to a close in a relaxed environment. The class is \$2 per person.

Tuesday, 4/7  
6pm  
Pickling Workshop

Want to learn about the pickling process? Join us for a workshop where we will complete all the prep needed to make your own pickled foods at home. Initial supplies, ingredients, and instructions will be provided to the first 15 sign-ups. Sign-ups begin March 31.

Friday, 4/10  
11am  
Volunteer Income Tax Preparation

Tuesday, 4/21  
6pm  
Our Vanishing Biodiversity and How to Save It

Thursday, 4/23  
3pm  
Foothills Book Circle

### Teens

Tuesday, 4/14  
4pm  
Teen Silent Book Club

Love to read but want a little company? Bring a book or pick one from the library, grab a quiet snack, and get cozy. We'll start and end with a quick book chat, but most of the time is yours to read what you love. For teens ages 12-18 or in grades 7-12 only.

Tuesday, 4/28  
4pm  
Teens Make: Bookends

Paint and decorate wooden bookends for your home library. Open to the first 10 teens ages 12-18 or in grades 7-12.

### Kids

Thursday, 4/2  
3:30pm  
LEGO Club

Build spring-themed creations with us this month. This activity is most suitable for the 6-12 age group.

Tuesday, 4/14  
10:30am  
Homeschool: Science Magic with Roper Mountain Science Center

Sometimes science demonstrations can seem like magic. The difference is scientists love to explain how things work. Your educator will perform several demonstrations that may first seem like magic. Then with the help of volunteers and observations from the audience we will figure out the science behind the trick and learn what is really happening.

Thursday, 4/16  
3:30pm  
Mini Makers: Sand Art

Create your own colorful sand art necklace. Use your favorite colors and make a one-of-a-kind necklace to take home.
