National Library Week

This year National Library Week takes place April 19 – 25, 2026. Your library system offers everything from books, DVDs and magazines to eBooks, downloadable books and graphic novels. We also offer a wide variety of programs for children, teens, and adults as well as meeting rooms and even homebound and bookmobile services for those that can't make it into a branch library location. We also have many additional resources available on our website. During National Library Week make plans to stop by your local branch library to pick up a free SCPL car magnet to show your support for the libraries. SCPL car magnets will be available while supplies last. Visit our website to learn more about all the Spartanburg County Public Libraries have to offer.

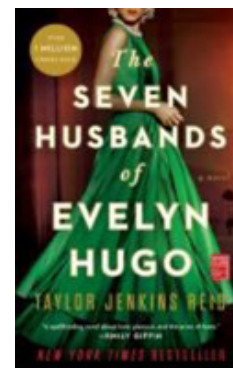

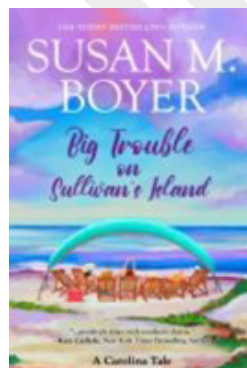

The Middle Tyger Library would like to spotlight some library services that are available to you and your family.

Seed Library - The Seed Library is a library program that shares seeds with the community. The Middle Tyger Library maintains our collection of seeds through donations from the community. You do not have to be a professional gardener to participate.

Book Review by Jillian Dillard

The Penderwicks on Gardam Street is the second book in *The Penderwicks* series. The series explores the relationship between the four Penderwick sisters and the special bond they have with one another. This series is written for ages 8-12 (but is easily enjoyable for all ages). In this novel, the sisters are met with many challenges and one specifically that will affect the future of their family as their father is forced to go back into the dating scene. The sisters work together to stop this plan put on by their late mother and aunt. It is not until after they come clean about their plans, they decide to initiate a new "Save Daddy Plan." This book is a wonderful reflection on loss, growing up too quickly, and always supporting the ones you love even in the face of the unknown.
