## March Into Reading

March Into Reading is a reading program for all ages and a partnership between Cowpens National Battlefield and the Spartanburg County Public Libraries. Celebrate National Reading Month with us March 1 – March 31. Visit our website for more information on programs and how to participate.

### Genealogy Workshop: Researching Your Revolutionary War Ancestors

Saturday, March 14 at 10:15 a.m. to 4:45p.m.

As the nation begins to commemorate the 250th anniversary of the American Revolution, we also reflect on the individuals who contributed to the cause. Join us as staff genealogists from the National Society Daughters of the American Revolution (DAR) and the National Society Sons of the American Revolution (SAR) explore how to go about researching your Revolutionary War ancestor. Learn about what qualifies as service (spoiler: it's not just military service), how to go about finding these records, and what genealogical standards are expected when applying to these lineage societies. Registration required. Visit our website or call 864-596-3508 for more information.

### New Show in The Planetarium: Astronaut

The exploration of space is the greatest endeavor that humankind has ever undertaken. What does it take to be part of this incredible journey? What does it take to become an astronaut? Experience a rocket launch from inside the body of an astronaut. Explore the amazing worlds of inner and outer space, from floating around the International Space Station to maneuvering through microscopic regions of the human body. Discover the perils that lurk in space as we subject "Chad," our test astronaut, to everything that space has to throw at him. Presented in stunning high-definition full dome video and explosive surround sound, Astronaut is an experience like nothing on Earth. Runtime is 23 minutes. We will also have several of our space suit items on display in March.

### Leatherworking: Traveler's Journal

Thursday, March 19 from 4:00 p.m. to 6:00 p.m.

Craft a refillable leather traveler's journal while learning how to set eyelets and cut, bevel, burnish, and tool (emboss) leather. This program is most suitable for participants ages 12 and up. Space available to the first 6 participants. Please register two weeks in advance beginning March 3. Program already full? While admittance is not guaranteed, you can visit the service desk 15 minutes before the program start time to be added to the waitlist. Arrive at least 10 minutes before the program to check in. Patrons should arrive at 5 minutes prior to program start to be considered on time. Admittance will be given to those on the waitlist beginning 5 minutes before the program. Visit our website or call 864-215-7554 for more information.

# March 2026
